

Media Release: Platinum Awarded Prime Contract for Office of the Assistant Secretary for Health, Office of the Chief Information Officer (OCIO), Cybersecurity Program Support Phase II

September 30, 2022 (Catonsville, MD) - Platinum Business Services, LLC (Platinum), a growing provider of information technology and support services to the Federal Government and the Office of the Assistant Secretary for Health (OASH), announced today the award of a **\$4.5 million** two-year **Cybersecurity Program Support** contract for the Office of the Chief Information Officer (OCIO). This contract award will directly support the OCIO with Cybersecurity Support Program/Project Management, Security Architecture and Engineering, Governance, Risk, and Compliance (GRC), and Information System Security Officer (ISSO). The OCIO leads and supports the nation by leading the implementation and development of IT infrastructure across the Department of Health and Human Services (HHS).

“Platinum is excited to partner with OASH for its critical Cybersecurity efforts,” said Jody Venkatesan, Platinum’s President & CEO. “Since 2008, Platinum has been a strategic partner in aligning cybersecurity practices across HHS. This prime contract award represents Platinum’s unwavering cybersecurity support for HHS at the highest mission levels. Platinum has had a positive working relationship with HHS for many years. This prime cybersecurity contract award is a major step forward in our company’s ability to improve cybersecurity projects at HHS directly. We are proud to bring such a high level of Cybersecurity support to OASH. We look forward to our continued support for HHS and meeting its critical mission in securing our nation’s healthcare information.”
