

Platinum Awarded Prime Contract for Defense Logistics Agency Energy (DLA Energy), Facility Condition Assessment Technical Support Services

January 26, 2023 (Catonsville, MD) -

Platinum Business Services, LLC (Platinum), a growing provider of information technology and support services to the Federal Government and the Department of Defense (DoD), announced today the award of a **\$2.3 million** multi-year **Facility Condition Assessment Technical Support Services** contract for the Defense Logistics Agency Energy (DLA Energy). DLA Energy leads and supports the nation by delivering globally resilient energy solutions to the military and the federal government. This contract award will directly provide DLA Energy with support services for generating and reporting Facility Condition Indices for 553 DLA Energy-supported locations worldwide.

“Platinum is thrilled to partner with DLA Energy for its critical Information Technology efforts,” said Jody Venkatesan, Platinum’s President & CEO. “This contract represents our first prime contract with DLA Energy. This award underscores our continued support for the DoD and DLA Energy in supporting energy utilization modernization. Platinum has had a positive working relationship with the DoD for many years, and this further represents our commitment to the DoD’s mission at the highest command levels. This award is a major step forward in our company’s ability to directly improve national energy projects and information technology for DLA Energy’s modernization. We are proud to bring such a high IT support level to DLA Energy. We look forward to supporting DLA Energy and meeting its critical mission in defending our nation.”
