

Platinum Awarded Prime Contract for General Services Administration (GSA), Acquisition Management Support Services for Assisted Acquisition Services (AAS)

October 01, 2022 (Catonsville, MD) -

Platinum Business Services, LLC (Platinum), a growing provider of project management support services to the Federal Government and the General Services Administration (GSA), announced today the award of a **\$3.5 million** multi-year GSA **Acquisition Management Support Services for Assisted Acquisition Services (AAS)**, Region 7 contract. This prime contract award will directly support GSA AAS with various program support functions related to GSA, Federal Acquisition Service's (FAS) mission. AAS provides pre-award, post-award, and contract administration support tasks to assist in efforts associated with processing new and existing task orders and contracts to ensure contractor compliance prior to related actions. GSA leads and supports the nation by delivering professional, privatesector services, equipment, and IT support to the government and military.

"Platinum is excited to once again partner with GSA for its critical Acquisition Management efforts," said Jody Venkatesan, Platinum's President & CEO. "This contract represents multiple prime contract awards for GSA of increasing value. It also extends our long history working for GSA since 2014. Platinum has had a positive working relationship with the GSA at all levels for many years, further representing our commitment to GSA's mission at every level. This award furthers our company's commitment to directly improving acquisition projects at AAS. We are proud to bring such a high level of acquisition support to AAS. We look forward to supporting critical acquisitions for our nation."
