

Platinum Awarded Prime Contract for The Department of Health and Human Services, Office of Inspector General (OIG), Information Assurance Division Support Services

December 14, 2022 (Catonsville, MD) -

Platinum Business Services, LLC (Platinum), a growing provider of cybersecurity support services to the Federal Government and the Department of Health and Human Services (HHS), announced today the award of a **\$27 million** multi-year **Information Assurance Division Support Services** contract for the HHS Office of Inspector General (OIG). This contract award will directly support HHS OIG with optimizing program effectiveness and productivity by incorporating cybersecurity best practices from Industry and Government in all IAD cyber mission areas in system authorization, risk management, privacy, policy, cloud security, vulnerability analysis, and intrusion detection. OIG leads and supports the nation by providing objective oversight to promote the economy, efficiency, effectiveness, and integrity of HHS programs.

“Platinum is delighted to partner with OIG for its critical cybersecurity efforts,” said Jody Venkatesan, Platinum’s President & CEO. “This contract represents the single highest award value in Platinum’s history. This award is a major step forward for our company’s ability to directly improve cybersecurity projects for HHS. It also underscores our commitment for Platinum’s longstanding history of supporting cybersecurity compliance across HHS. Platinum has had a positive working relationship with HHS since 2008 in improving cybersecurity compliance for HHS. We are proud to bring such a high level of cybersecurity support to OIG. We look forward to our continued support for the Department of the Health and Human Services and meeting its critical mission in supporting our nation.”
