

Platinum Awarded Prime Contract for General Services Administration (GSA), Acquisition Management Support Services for Assisted Acquisition Services (AAS), AFCEC

February 21, 2023 (Catonsville, MD) -

Platinum Business Services, LLC (Platinum), a growing provider of project management support services to the Federal Government and the General Services Administration (GSA), announced today the award of a **\$3 million** multi-year GSA **Acquisition Management Support Services for Assisted Acquisition Services (AAS)**, Air Force Civil Engineer Center (AFCEC), Region 7 re-compete contract. This prime contract award will directly support GSA AAS with various program support functions related to GSA, Federal Acquisition Service's (FAS) mission. GSA leads and supports the nation by delivering professional, private-sector services, equipment, and IT support to the government and military. AAS provides pre-award, post-award, and contract administration support tasks to assist in efforts associated with processing new and existing task orders and contracts to ensure contractor compliance prior to related actions.

"Platinum is proud to once again partner with GSA for its critical Acquisition Management efforts," said Jody Venkatesan, Platinum's President & CEO. "This prime contract award represents multiple prime contracts directly supporting AFCEC's mission in increasing value. Platinum has had a positive working relationship with the GSA at all levels for many years. This contract is a secondary re-compete, representing our long-term commitment to GSA's and AFCEC's mission at every level. This re-compete represents our company's commitment to directly improving civil engineering projects for AFCEC. We are proud to bring such a high level of acquisition support to AAS. We look forward to supporting critical acquisitions for our nation."
