

Platinum Awarded Prime Contract for The Department of Health and Human Services (HHS), Indian Health Services (IHS), Clinic Data Mart

April 01, 2023 (Catonsville, MD) -

Platinum Business Services, LLC (Platinum), a growing provider of information technology and Data Science services to the Federal Government and the Department of Health and Human Services, announced today the award of a \$2.3 million multi-year IHS NPIRS Clinical Data Mart contract for the National Patient Information Reporting System (NPIRS). This contract award will directly support the IHS with Data Mart operations and maintenance, business intelligence/analytic solutions, user reports, customer service, project management, and security. IHS raises the health of Native Americans to the highest level by providing comprehensive and culturally appropriate health services.

"We're thankful for our continued work across HHS, including the expansion with IHS for the improvement of health care Data Science," said Jody Venkatesan, Platinum's President & CEO. "This contract represents a prime contract award of increasing value. It also underscores our continued support for the Department of Health and Human Services, and a new relationship with IHS. Platinum has had a positive working relationship with the HHS for many years, and this further represents our commitment to the HHS's mission at the highest levels. This award is a major step forward in our company's ability to directly improve Data Science and healthcare data analytics for IHS. We are proud to bring such a high level of support to IHS. We look forward to supporting IHS and meeting its critical mission in providing healthcare resources to our Native American population."
