July 26, 2022 (Catonsville, MD) -

Platinum Business Services, LLC (Platinum), a growing provider of information technology and support services to the Federal Government and the Department of the Navy, announced today the award of a **\$4.5 million** multi-year **Direct Access Program (DAP) Support Service** contract for the Office of Small and Disadvantaged Business Utilization (OSDBU). This contract award will directly support OSDBU with their Direct Access Program (DAP). OSDBU's DAP creates opportunities for Veteran-Owned Small Businesses to build partnerships, maximize networking, and gain access to Procurement Decision Makers (PDMs) through participation in direct access events. "Platinum is committed to partnering with OSDBU for its Direct Access Program efforts," said Jody Venkatesan, Platinum's President & CEO. "This contract represents a secondary prime contract reward of increasing value. It also underscores our continued support for the Department of Veteran Affairs and the Office of Small and Disadvantaged Business Utilization. Platinum has had a positive working relationship with the Department of Veterans Affairs for many years, and this further represents our commitment to the VA's mission at every level. This award is a major step forward in our company's ability to improve projects for OSDBU directly. We are proud to bring such a high level of project management support to OSDBU.
