

Platinum Awarded Prime Contract for The Department of the Department of Treasury, Internal Revenue Service (IRS) Microsoft Office 365 PMO Support

September 25, 2023 (Catonsville, MD) -

Platinum Business Services, LLC (Platinum), a growing provider of information technology and support services to the Federal Government and the Internal Revenue Service, announced today the award of a \$635 thousand multi-year **Microsoft Office 365 PMO Support** contract for the IT User and Network Services (UNS) Office. This contract award will directly support the UNS by aiding in their efforts to migrate core technology components to the cloud. UNS delivers reliable, secure, innovative, and cost-effective technology and services in order to enable communication, collaboration, and business capabilities for the IRS and the United States. The IRS leads and supports the nation by providing America's taxpayers with services to help them understand and meet their tax responsibilities, and by enforcing the law with equal measure to all its citizens.

"Platinum is thrilled to partner with UNS for its cloud migration efforts," said Jody Venkatesan, Platinum's President & CEO. "This contract represents a prime contract reward of considerable value. It also represents a new working relationship with the IRS, which will be beneficial for both parties. Platinum has had a positive working relationship with the government for many years, and this further represents our commitment to every agency's mission at every level. This award is a major step forward in our company's ability to directly improve cloud services at IRS. We are proud to bring such a high level of IT support to UNS. We look forward to supporting the Internal Revenue Service and aiding its critical mission in funding our nation."
