

Platinum Awarded Prime Contract for Department of Transportation, Federal Motor Carrier Safety Administration, Office of Acquisitions Management (OAM), Strategic Planning and Team Building Support Services

September 29, 2022 (Catonsville, MD) -

Platinum Business Services, LLC (Platinum), a growing provider of project management support services to the Federal Government and the Department of Transportation (DoT), announced today the award of a multi-month **Strategic Planning and Team Building Support Services** contract for the Federal Motor Carrier Safety Administration (FMCSA), Office of Acquisitions Management (OAM). The FMCSA leads and supports the nation by ensuring safety in motor carrier operations through vigorous enforcement of safety regulations. This contract award will directly support the OAM in acquiring goods and services necessary to carry out the programs that support the FMCSA, including strategic priorities development and team building facilitation.

“Platinum looks forward to partnering with the OAM for its critical strategic development efforts,” said Jody Venkatesan, Platinum’s President & CEO. “This contract represents a secondary prime contract reward of increasing value. It also underscores our continued support for the DoT and the FMCSA. Platinum has had a positive working relationship with the DoT for many years, further representing our commitment to the DoT’s mission at the highest levels. This award is a major step forward in our company’s ability to improve transportation safety projects at the FMCSA directly. We are proud to bring such a high level of support to OAM. We look forward to supporting the Department of Transportation and meeting its critical mission in supporting our nation.”
