

## **Platinum Awarded Prime Contract for The Department of the Navy, Naval Facilities Engineering and Expeditionary Warfare Center (NAVFAC), IT Help Desk Support**

**September 30, 2022 (Catonsville, MD) -**

Platinum Business Services, LLC (Platinum), a growing provider of information technology and support services to the Federal Government and the Department of the Navy, announced today the award of a multi-year **Information Technology (IT) Service Desk Technical Support** contract for the Naval Facilities Engineering and Expeditionary Warfare Center (NAVFAC). This contract award will directly support NAVFAC with Navy-Marine Corps Intranet (NMCI) network, Next Generation (NGEN) contract, stand-alone workstations, inventory, VTC, and wireless contract support. NAVFAC leads and supports the nation by delivering life-cycle technical and acquisition solutions aligned with Fleet and Marine Corps priorities. NAVFAC assures that file-sharing, end-user IT hardware, and telecommunications systems function optimally through the planning, analysis, development, implementation, maintenance, and enhancement of the information system life cycle.

"Platinum is thrilled to partner with NAVFAC for its critical Information Technology efforts," said Jody Venkatesan, Platinum's President & CEO. "Platinum is a proud supporter of the mission of the Department of the Navy. We are committed to continuing to support the DoD and the Department of the Navy. Platinum has had a positive working relationship with the Department of the Navy for many years, and this further represents our commitment to the Department of the Navy's mission at the highest command levels. This award is a major step forward in our company's ability to improve national security projects at NAVFAC directly. We are proud to bring such a high IT support level to NAVFAC. We look forward to supporting the Department of the Navy and meeting its critical mission in defending our nation."
