

Platinum Awarded Prestigious OASIS+ SDVOSB & HUBZone Contract Vehicles

October 21, 2024 (Catonsville, MD) -

Platinum Business Services, LLC (Platinum), a growing small business committed to delivering top-notch support services to the Federal Government, announced today its inclusion in the General Services Administration's (GSA) One Acquisition Solution for Integrated Services Plus (OASIS+) program. **OASIS+** supports the Federal Government by integrating and enhancing the previous offerings for services-based contracts and assists contractors by providing additional opportunities to secure contracts. The GSA plays a vital role in supporting the nation by procuring the services and goods essential for government operations.

"Platinum is thrilled to announce our inclusion in OASIS+ as a HubZone and Service-Disabled, Veteran-Owned Small Business," said Jody Venkatesan, Platinum's President & CEO. "This reflects not only our stellar record of past performances with the Federal Government, but also the excellent work that we will continue to provide into the future. Platinum has had a positive working relationship with a variety of Defense and Civilian agencies for many years, and this only bolsters our ability to support them at every possible level. This award is a major step forward in our company's ability to directly support not only the Government, but the people of our nation. We are proud to be part of OASIS+, and look forward to the opportunities it will bring."

About Platinum Business Services, LLC

Platinum Business Services, LLC is a well-established SBA-certified small business (**HUBZone, Service-Disabled Veteran Owned Small Business (SDVOSB), 8(a), and Small Disadvantaged Business (SDB)**) located in the State of Maryland.
