

Platinum Awarded \$1.6 Million Multi-Year Contract for Acquisition Management Support with GSA AAS

October 01, 2024 (Catonsville, MD) -

Platinum Business Services, LLC (Platinum), a growing provider of information technology and support services to the Federal Government and the General Services Administration (GSA), announced today the award of a \$1.6 million multi-year contract for Acquisition Management Support Services for Assisted Acquisition Services (AAS) with GSA. This contract award will directly support GSA AAS in a broad and complex range of procurement-related activities. AAS provides acquisition, technical, and project management services to assist agencies in better acquiring and utilizing solutions in professional services and information technology. The GSA plays a crucial role in supporting the nation by procuring the services and goods necessary for government operations.

“Platinum appreciates the confidence that GSA has expressed by awarding us this contract,” said Jody Venkatesan, Platinum’s President & CEO. “This contract represents our continued support for GSA and AAS. Platinum has had a positive working relationship with GSA for many years, and this further represents our commitment to their mission at the highest levels. This award is a major step forward in our company’s ability to directly improve GSA’s ability to serve customers and agencies. We are proud to bring such a high level of program support to AAS. We look forward to supporting GSA and meeting its mission to serve our nation.”
