

## Platinum Awarded \$2 Million Contract to Enhance IT and Budget Management for FMCSA

October 21, 2024 (Catonsville, MD) -

**Platinum Business Services, LLC** (Platinum), a growing provider of information technology and support services to the Federal Government and the Department of Transportation, announced today the award of a \$2 million contract for IT Portfolio and Funds Management Services Support for the Federal Motor Carrier Safety Administration (FMCSA). This contract award will directly assist the FMCSA with Capital Planning and Investment Control (CPIC) Support, IT Portfolio and Investment Management Support, Governance Support, Budget Execution Support, and Program Management. The FMCSA plays a crucial role in ensuring safety in motor carrier operations through the vigorous enforcement of safety regulations.

“Platinum is thrilled to partner with FMCSA to provide critical Information Technology services,” said Jody Venkatesan, Platinum’s President & CEO. “This contract represents a prime contract reward of immense value to the federal government. It also underscores our continued support for the DoT and the FMCSA. Platinum has had a positive working relationship with the DoT for many years, further representing our commitment to the DoT’s mission at the highest levels. This award is a major step forward in our company’s ability to improve transportation safety projects at the FMCSA directly. We are proud to bring such a high level of support to the government. We look forward to supporting the Department of Transportation and meeting its critical mission in supporting our nation.”
