

## Platinum Awarded 2024 HIRE Vets Gold Medallion – Second Consecutive Year of Recognition!

October 31, 2024 (Catonsville, MD) -

**Platinum Business Services, LLC** (Platinum), a growing provider of information technology and support services to the Federal Government, has been awarded the 2024 HIRE Vets Gold Medallion Award. Established by the Honoring Investments in Recruiting and Employing American Military Veterans Act of 2017 (HIRE Vets Act), the Hire Vets Medallion Program recognizes American employers for their efforts to recruit and retain veteran employees. Gold Medallion Awards are presented for hiring and employing a high percentage of veterans, an initiative that Platinum, as a veteran-owned small business, considers vital. Platinum also received the Gold Medallion in 2023.

“Platinum is deeply honored and thankful to receive this award for the second year in a row,” said Jody Venkatesan, Platinum’s President & CEO. “The HIRE Vets Gold Medallion represents our continued success in uplifting veterans across our nation, and HIRE Vets’ continued faith in our organization. As a veteran, such efforts are of the utmost importance to me. We have a strong working relationship with many federal agencies, including the United States Military, and this award demonstrates our continued dedication to our federal customers. We look forward to continuing to serve our nation by supporting our veterans and the federal government.”
