

## Platinum Business Services Awarded Multi-Year Contract to Support Naval Postgraduate School's Research Program

September 30, 2024 (Catonsville, MD) -

**Platinum Business Services, LLC** (Platinum), a growing provider of information technology and support services to the Federal Government and the Department of the Navy, announced today the award of a \$1.3 million multi-year Navy Research Program (NRP) Support contract for the Naval Supply Systems Command (NAVSUP), Naval Postgraduate School (NPS). This contract award will directly assist the NPS' NRP Topic Portal, the General Program, and NRP's Annual Research Event. The NRP supports research projects for the Navy and Marine Corps and aims to prepare our naval forces to meet new and evolving challenges in the future. The NPS plays a vital role in supporting the nation by providing a graduate-level education tailored to the unique needs of the Department of the Navy.

"Platinum is pleased to be chosen to partner with the NPS for its education and events efforts," said Jody Venkatesan, Platinum's President & CEO. "This contract serves to reinforce our continued support for the Department of Defense and the Department of the Navy. Platinum has had a positive working relationship with the Department of the Navy for many years, and this further represents our commitment to the Department of the Navy's mission at every level. This award is a major step forward in our company's ability to provide for the needs and wants of the NPS. We are proud to bring such a high level of support to the NRP. We look forward to supporting the Department of the Navy and meeting its critical mission in defending our nation."
