ABOUT US

Platinum Business Services, LLC. is a full service IT solutions consulting firm providing a full suite of information technology services, program management, financial management, and administrative support solutions to the U.S. Federal government. Platinum prides itself on being a premier business and technical information service provider. At Platinum, our primary mission is to bring business processes and technology solutions together. Founded in 2008 and headquartered in Catonsville Maryland, USA. We have consistently maintained our recertification as a Service-Disabled Veteran-Owned Small Business (SDVOSB) through the Department of Veteran Affairs (VA) Center for Veteran Enterprise (CVE)

STUDENTS

Platinum recruits top talent, creating a local presence with our employee graduates who show by example what future opportunities are available and resonate with the next generation

INTERN TO HIRE

Our internship program seeks current students in emerging technology and STEM fields who desire federal contracting experience before graduation

POST GRADUATION

We provide long-term employment opportunities in our corporate and consulting workforce where we can pair entry-level recruits with experienced career professionals to help bridge job placement gaps and develop guiding mentorship

HUBZONE INTERNSHIP PROGRAM

A PATH TO SHARED PROSPERITY

At Platinum Business Services, we believe that business success goes hand in hand with community impact. Through our HUBZone Internship Program, we are creating a win-win environment—empowering talented individuals from underrepresented communities, driving local economic growth, and enhancing our partnerships with federal agencies.

EMPOWERING LOCAL TALENT, BUILDING CAREERS

By focusing on talent from economically disadvantaged areas, our HUBZone Internship Program offers opportunities where they are needed most. Interns gain valuable skills, mentorship, and access to the resources and networks essential for long-term success. The program fosters confidence and professional abilities and opens doors to thriving careers by combining hands-on learning with real-world experience.

DRIVING ECONOMIC GROWTH AND CREATING JOBS

As we expand our HUBZone Internship Program, we're not just growing our business—we're contributing to the local economies of HUBZone-designated areas. By offering meaningful internships through organizational learning, we are driving positive change, providing jobs, and enabling local communities to prosper. Interns play a vital role in our success while becoming key contributors to their communities.

JOIN OUR MISSION

At Platinum Business Services, we are dedicated to growing our business while empowering the communities that need it most. Through our HUBZone Internship Program, we are expanding opportunities for candidates, strengthening our capabilities, and reinforcing our relationships with federal partners.

STRENGTHENING FEDERAL PARTNERSHIP

A diverse, skilled, and growing team enables us to take on more complex and ambitious projects for a wider range of federal agencies for customer-focused excellence. As our HUBZone workforce grows, so do our capabilities, allowing us to exceed the expectations of our government clients. This positions Platinum as a trusted partner, helping federal agencies meet their HUBZone contracting requirements while benefiting from a team committed to quality and excellence.

COMMITMENT TO COMMUNITY DEVELOPMENT

At the heart of our HUBZone Internship Program is a dedication to revitalizing economically underdeveloped areas. With our valuing people approach, and hiring and nurturing local talent, we align with the federal government's mission of supporting community development and job creation. The program is structured in a way that fully integrates its costs into our operational model, ensuring no additional financial impact on our government clients. As our business grows, so does our impact—both in the federal marketplace and within the communities we serve.

A RECOGNIZED LEADER IN WORKFORCE DEVELOPMENT

Our commitment to developing a talented HUBZone workforce has earned us recognition for business excellence and our role in community empowerment. By advancing these initiatives through agility and resilience, we remain a strong contributor to federal contracting goals while proving that businesses can drive meaningful social change.
