

Platinum Business Services LLC Achieves Full DCAA Compliance, Strengthening Its Position as a Trusted Federal Contractor

December 5, 2025 (Catonsville, MD) -

Platinum Business Services LLC (Platinum) is proud to announce that the company has officially achieved a compliant **DCAA-audited accounting system** with the **Defense Contract Audit Agency (DCAA)**, reinforcing its commitment to operational excellence, financial integrity, and transparency in support of its federal customers. This milestone underscores Platinum's dedication to maintaining the highest standards in accounting systems, cost controls, and internal processes required to successfully manage and execute government contracts.

Achieving **DCAA compliance** further strengthens Platinum's credibility as a mission-driven partner to federal agencies, enabling the company to pursue more complex and cost-reimbursable contract opportunities. This accomplishment reflects the organization's disciplined approach to financial management and its continued investment in quality, accountability, and compliance-driven operations.

About Platinum Business Services LLC

Platinum Business Services LLC is a well-established SBA-certified small business **HUBZone, Service-Disabled Veteran Owned Small Business (SDVOSB), and Small Disadvantaged Business (SDB)** located in the State of Maryland. Platinum has also been awarded GSA's government wide **OASIS+** contract vehicle for 8(a), SDVOSB, HUBZone, and Small Business. Platinum is a comprehensive IT Solutions consulting firm with core competencies in cybersecurity, information assurance, Agile IT services, financial management, and administrative support services. Our offerings include system modernization, cloud services, artificial intelligence (AI), emerging technologies, open-source technologies, machine learning, data analytics, enterprise architecture, business process re-engineering, acquisition support services, and grants management. Platinum's mission is to be a leading provider of business and technical information services. We strive to ensure that these principles are integrated into our cybersecurity and enterprise performance-based processes and project management services. Our firm's core values are grounded in delivering quality service with integrity and flexibility to our clients. Platinum's primary mission is: **"Bringing Business and Technology Processes Together."**
