

## Platinum Business Services LLC Earns Prestigious Platinum HIRE Vets Medallion Award After Two Consecutive Gold-Level Achievements

December 5, 2025 (Catonsville, MD) -

**Platinum Business Services LLC** (Platinum) is proud to announce its receipt of the **Platinum HIRE Vets Medallion Award**, the highest honor presented by the U.S. Department of Labor for veteran employment excellence. After earning the Gold Medallion for two consecutive years, the company has now achieved Platinum status in recognition of its expanded veteran hiring initiatives, strengthened SkillBridge engagement, and continued commitment to recruiting, employing, and supporting America's veterans.

As a Service-Disabled Veteran-Owned Small Business (**SDVOSB**), Platinum Business Services actively champions the integration of veterans into the civilian workforce through targeted career pathways, mentorship, and professional development opportunities. This award reflects the company's mission-driven dedication to empowering veteran talent and sustaining a workplace where service members can thrive long after their military careers.

### About Platinum Business Services LLC

Platinum Business Services LLC is a well-established SBA-certified small business **HUBZone, Service-Disabled Veteran Owned Small Business (SDVOSB), and Small Disadvantaged Business (SDB)** located in the State of Maryland. Platinum has also been awarded GSA's government wide **OASIS+** contract vehicle for 8(a), SDVOSB, HUBZone, and Small Business. Platinum is a comprehensive IT Solutions consulting firm with core competencies in cybersecurity, information assurance, Agile IT services, financial management, and administrative support services. Our offerings include system modernization, cloud services, artificial intelligence (AI), emerging technologies, open-source technologies, machine learning, data analytics, enterprise architecture, business process re-engineering, acquisition support services, and grants management. Platinum's mission is to be a leading provider of business and technical information services. We strive to ensure that these principles are integrated into our cybersecurity and enterprise performance-based processes and project management services. Our firm's core values are grounded in delivering quality service with integrity and flexibility to our clients. Platinum's primary mission is: **"Bringing Business and Technology Processes Together."**
